OLD TOWN PIZZA

What started as a love for the town of Auburn, has expanded into a multi-city family business and community essential. Old Town Pizza (OTP) offers not only great pizza, but wings, sliders & other apps that will rival any family football gathering. Known for a carefully curated local wine & beer list, you can also explore various styles of craft beer and enjoy your favorites.

OLD TOWN AUBURN

Auburn is the original location and started the humble beginnings for OTP and has won Auburn's "Best of the Best" for 19 years straight. With Auburn's vibrant Old Town atmosphere, what started two decades ago continues to showcase that "hometown pizza place" experience that guests crave. The restaurant is open daily and available for customers to dine-in, take-out, or delivery. Look forward to an expanded new Auburn location in the future too!

AUBURN GOLD COUNTRY FAIRGROUNDS PAVILION - NEW!

The newest OTP location can be found at the Gold Country Fairgrounds in Auburn. The brand-new, permanent outdoor pavilion has a full kitchen, local beer & wine and plenty of tables, covered, open-air seating and room for kiddos to run around the grounds. Food is available to enjoy on-site or to-go. Parking is abundant, simply enter the Fairgrounds off High Street and head straight back.

HISTORIC DOWNTOWN LINCOLN

Since relocating and expanding to a new spot last year, OTP Lincoln has really got it goin' on! It is complete with a rooftop patio, a large dining room with plenty of room to spread out, a private gathering space, and a large bar. Both beer & wine are available on draft, making it a wonderful gathering spot for friends and family. It is also conveniently located next door to their award-winning brewery, Slice Beer.

HISTORIC OLD ROSEVILLE

With 24 beers on tap and a wrap-around bar, year-round outdoor patio and private party-room the Roseville location is the biggest of them all. The extensive hand-picked beer selection showcases local favorites on draft, cider options, and beer in cans and bottles. Beers are available for purchase to-go, along with your favorite meal too.

Stay in the OTP know on social media or otpizza.net

TRUCKS ON THE TRAIL

The Wine & Ale Trail community was supported in 2020 by some unsung heroes – Food Trucks. They really stepped up to help when State and local guidelines presented significant challenges for wineries and breweries. With the requirement of a food purchase with your beverage at various times in 2020 (and still at the time of this publication), businesses without a commercial kitchen had to do a hard shift to meet the challenge. Because of the nimbleness and cooperation of the operators and owners of these Trucks, wineries & breweries were allowed to open and continue to do business.

Below are a handful of our favorites. These guys stand out for their gourmet sandos, their wood-fired pizzas and their take on tacos, loaded fries and of course, a bowl full of delicious brussels or mac & cheese!

Bella Familia Wood Fired Pizza – Award-winning mobile pizza company serving the Sacramento area since 2008. Keep in mind for weddings and catering too. @bellafamiliawfp

Bounty Food Truck – Food truck and catering in Placer and Sacramento Counties by Chef and Owner, Eric Burton. Enjoy California Fusion Cuisine and seasonal rotating menus. @bountyfoodtruck

The Butcher's Cleaver – With a loyal following, this truck is always spotted somewhere nearby. A true labor of love for Chef/Owner, Nathan McCallister, you will dig the drool-worthy sandwiches, tacos, sides, and friendly culinary crew. Available for private parties. @thebutcherscleaver

West Coast Taco Bar – Chef-owned and operated mobile food trailer serving up delicious gourmet tacos and more, using fresh ingredients and unforgettable flavors. @westcoasttacobar

Follow their social media handles to catch these and other rotating Food Trucks at many of the wineries and breweries, especially on the weekends. **Ciotti Cellars** and **Lone Buffalo** currently have Trucks every Saturday. **Hillenbrand Farmhaus Brewery** has their own on-site kitchen on wheels, so food is always available. Others to keep an eye out for include **Ash & Oil**, **Buck & Sadie's**, **Cousins Maine Lobster**, **Outlaw Cuisine**, **Chef on Wheels**, **Rokkas**, **Get Fried**, **Onisto's Bistro & Authentic Street Tacos**. Food may or may not be required for purchase to drink, check your local guidelines.

Thank you, Trucks, for keeping The Trail open!

RECREATION ON THE TRAIL
